SPARKLING BEVERAGES

QUALITY POLICY

As Delta Sparkling Beverages-Graniteside Plant we are committed to the production of quality cold beverages through cost effective and efficient manufacturing of sparkling beverages. To achieve this, we shall implement a Quality Management System according to ISO 9001:2015 standard.

We are committed to:

- Achieving a high-quality status through periodic reviews of the Quality Management System performance to ensure continual improvement.
- Annual establishment and review of measurable Quality Objectives.
- Compliance with applicable legal and other requirements to which we subscribe.
- Training of our employees and contractors on the Quality Management System to achieve a high standard of Quality awareness and performance.
- Communicating, applying and displaying the Quality Policy at strategic points within the plant.
- Ensuring that our contractors, visitors, customers and other interested parties are informed of and understand their obligations to this policy.
- Reviewing the Quality Policy for continuing suitability.

All employees as teams or individuals are responsible for quality and its continual improvement wherever they work (Quality at Source)
