

Delta Beverages

FORKLIFT DRIVER X2 (H)

Delta Beverages is the name behind Lagers, Sparkling Beverages, Maheu and Sorghum Beer manufacturing, marketing and distribution in Zimbabwe. An exciting opportunity has arisen for ambitious and highly motivated individuals to join this vibrant enterprise.

Applications are invited from suitably qualified and experienced persons to fill in the above permanent position that has arisen at **Lagers South (CCD Kelvin and DBC Victoria Falls)**.

The Job

Reporting to the **Depot Controller**, the successful applicants will be, among other key challenging aspects, responsible for:

- Driving and operating a double handler forklift truck (diesel, gas or electrical) for conveyancing of all palletized goods (glassware, sugar, wooden, cans etc.) within the department or organization.
- Loading and off-loading trucks to and from the market.
- Loading product into the warehouse.
- Move crates in pallets into the empties warehouse
- Minimize breakages by ensuring standard, safe and adequate stacking on pallets, in bays or designated surfaces.
- Recording all fuel usages, break down and idle times and completing a forklift checklist.
- Verifying trailers loaded with Fulls against the Loading Instruction Sheet.

The Person

- 5 'O' Levels including English and Mathematics (being an advantage).
- Clean class four driver's license.
- Delta forklift permit.
- At least 2 years' forklift driving experience.
- Good personality, reliability, honest dependability and dedication to duty.
- Should be an effective communicator and be able to work under pressure.
- Female applicants are encouraged to apply.
- Working knowledge of Environmental Management Systems such as ISO 14001 and Occupational Health and Safety Management System such as OHSAS 18001 and NOSA

Interested persons should submit written applications with detailed CVs and enclose copies of 'O' Level Certificates (indicating location applied for) not later than **7 March 2025** to: p.matamai@delta.co.zw

Only short-listed candidates will be contacted.

The future is in our brands
