

Delta Beverages

MACHINE OPERATOR – (GRADE G) X40

Delta Beverages is the name behind Lagers, Sparkling Beverages, Maheu and Sorghum Beer manufacturing, marketing and distribution in Zimbabwe.

Applications are invited from suitably qualified and experienced persons to fill in the above position that has arisen in the Lagers Beer Business. Incumbent will be based at Southerton Plant, Harare.

The Job

Reporting to the Packaging Team Leader, the successful applicant will be, among other key aspects, responsible for:

- Operating equipment in the production process.
- Monitoring machine and process performance.
- Maintenance of production process equipment.
- Conducting deep cleaning activities as per the schedules
- Conducting problem solving for any equipment or process deviations.
- Complying with SHEQ and Manufacturing Systems.
- Packaging housekeeping.

The Person

The ideal applicant should possess the following minimum qualifications and attributes:

- National Certificate in Machine Shop Engineering or Electrical Power
- A minimum of 5 “O” Level passes including English and Mathematics.
- Should have at least six months’ experience on the packaging line.
- Basic Manufacturing Way Training
- Good interpersonal and communication skills
- Working knowledge of manufacturing and environmental systems

Interested persons should submit applications, CV’s and enclose copies of relevant documents not later than **Monday 21 July 2025** to **g.jhamba@delta.co.zw**.

Only short listed candidates will be contacted.

The future is in our brands
