

# Delta Beverages

## Senior Internal Auditor x2 (E)

Delta Beverages is the name behind Lagers, Sparkling Beverages, Maheu and Sorghum Beer manufacturing, marketing and distribution in Zimbabwe. An exciting opportunity has arisen for ambitious and highly motivated individuals to join this vibrant enterprise.

Applications are invited from suitably qualified and experienced persons to fill the above positions that have arisen in the Audit and Risk department, Delta Head Office.

### The Job

Reporting to the **Audit Manager**, the successful applicants will be, among other key challenging aspects, responsible for:

- Pre-engagement data extraction and analysis to focus audit effort on areas of risk.
- Performing audits in accordance with the approved audit methodology, audit programmes and Global Internal Audit Standards.
- Documenting, using audit management software, audit findings with sufficient information to detail the nature, timing and extent of procedures performed.
- Timely clearance of all review notes raised on their work.
- Supervising and training of students assigned to audit teams.
- Discussing deficiencies with other team members and recommending corrective action to ensure economic, efficient, and effective operation of the organization.
- Preparing draft written reports on each audit assignment.
- Working within budgets and meeting tight deadlines.

### The Person

The ideal applicants should possess the following minimum qualifications and attributes: -

- Bachelors' Degree in Accounting, Finance or equivalent.
- Working towards or in possession of a professional qualification (e.g. CIA, CISA, CFE, CIS, ACCA, CIMA, CISM).
- Membership of a relevant professional association or institute.
- 2 years' working experience in relevant fields; Accounting, Finance, Internal Audit, IT and/or Operations.
- Good communication and interpersonal skills.
- High levels of integrity, honesty, objectivity and confidentiality.
- Computer proficient and well-developed analytical skills.
- High level proficiency in data extraction and analysis software, audit management software and MS Excel will be a distinct advantage.
- A good working knowledge of SAP ERP system.
- Willingness to travel and stay away from home for long periods.

Qualified and experienced persons should e-mail their application letter and detailed CVs by not later than **Friday 26th December 2025** to **a.mudondo@delta.co.zw**.

**Only shortlisted candidates will be contacted**
