

Delta Beverages

Apprenticeship Intake

Delta Beverages is the name behind Lagers, Sparkling Beverages, Maheu and Sorghum Beer manufacturing, marketing and distribution in Zimbabwe. An exciting opportunity has arisen for young, ambitious and highly motivated individuals to join this vibrant enterprise.

We are therefore inviting applications for apprenticeship training with Delta Beverages in the following trades:

- Fitting & Turning
- Refrigeration & Air Conditioning
- Motor Mechanic (including diesel)
- Auto Electrical
- Electrical – Power
- Instrumentation & Control
- Millwrights

Ideal candidates should satisfy the following minimum requirements:

- A minimum of 5 “O” Level subjects, including English, Mathematics and Science, with grades C or better. Preference will be given to applicants with higher educational qualifications.
- In addition to the above requirements, applicants for Millwrights should hold at least a National Certificate in any of the following trades: Electrical, Mechanical or Automotive.
- Applicants for Instrumentation and Control must have at least two A Level Science subjects.
- Clearance letter from the Ministry of Higher and Tertiary Education (Apprenticeship Training Authority).
- Certified Copies of National I.D, birth certificate, and educational certificates.
- Those only wishing to train in Automotive trades must have a valid provisional or full driver’s licence.
- Be aged between 16 and 25 years by 1st May 2026.

For online applications visit the **Delta Corporation website: www.delta.co.zw** or use the following link: - **<https://bit.ly/45IdRmq>**

The closing date for submission of applications is 23 February 2026.

Only shortlisted candidates will be contacted by 23 March 2026.

The future is in our brands
